Section 2: Consultation Highlights per Session

Please kindly report highlights, include issues/comments/feedbacks that have general agreement/support from the group and specific issues/comments/feedbacks/questions that was also raised for considerations.

Session A: About the consultation

[Please note if permission to document (written, photos, and video) was obtained from the participants by the organiser. Noting that participants also have the right to decline any of those.]

In the very beginning of the meeting Mr Achut Sitaula , facilitator, has asked to participants for their consent to use photos for the reporting propose and all participants allows to do so.

Session B: Overview

Mr. Achut sitaula, facilitator, has explained the objective of the consultation. A process to develop strategy of The Global fund for post 2022 has already been started in 2020 and the most of the KPs network may participated through their respective networks. Regional networks of different KPs in Asia and Pacific region has been conducting consultation. Mr. Sitaula also mentioned that APCASO, Asia pacific, regional platform for CRG, is leading the process.

Session C: The Draft A-P statement

The Draft Statement that developed by the Regional networks leading KPs in the Asia and Pacific. The floor was opened for the participants to react on the Position paper.

Session D/E: Thematic Discussions

THEME #1: “We want the Global Fund to put the money where its mouth is on CRG and CSS”

Participants agreed on the position statement that has already in the paper by the regional networks.

THEME #2: “We want the Global Fund to effectively fulfill its mandate on HIV, TB and malaria, first and foremost.”

- Since we are consulting on the basis of country specific, it should be contextual, it should include legalization of FHW, need to include emergency response, environment.
- There are 3 areas in catalytic fund, as migrant are shadowed. They is no any such activities addressing migrant & prisoner issues.
- Thematic approach of catalytic fund is not clear.

THEME #3: “We want the Global Fund to continue to put CRG and CSS approaches as cornerstones of pandemic and health emergency responses.”

Networks representative agreed on the statement by sharing their own experience during lockdown. They, moreover, stressed to invest on the community system, local community based small group to accelerate the impact.

THEME #4: “We want a fully resourced Global Fund.”

- We need to focus on country level strategy not globally or regionally. That should be included on contextual basis.
- There is no any strategy regarding network strengthening and capacity building of members.
- Our problem should be reflected.
- Need to approach to CCM how we can make our access for community strengthening.
- We need to think/ask whether CCM is required for Global Fund or not?
- We also need to have meeting/discussion with NCASC, Save the Children and CCM for the implementation of the program as the budget is not as committed.

THEME #5: “We still want a Global Fund that is truly global - one that does not leave key vulnerable and marginalized communities behind, regardless of their income classification.”

- There is no priority on advocacy by the government.
- In Province 1 and some municipalities are also supporting for prison for the sustainability, but we need a strong advocacy.

Session F: General discussion/any other comments and feedback

Some of the participants raised the issue not related to TGF strategy process instead country issue:

- CCM should coordinate for the proper implementation of the program.
- The employer don't have facility for provident fund and social security.

Session G: What happens next? Closing and Thanks.

Furthermore ,Mr. sitaula, shared the calendar of upcoming partnership forums detail including date and the methodologies .He added , any comments, feedbacks and thoughts on the position statement can be send by the email too.
