

**Active engagement of
communities at all levels
can **#EndEpidemics****

**The Global Fund,
continue to invest in
India beyond 2026!**

**Communities affected
by HIV, TB and Malaria
ensured services at the
CENTRE of COVID crisis.**

#InvestInCommunities

**At least double India's
health expenditure
from 1.15% to 2.5%**

**Attacking women's
rights = Attacking ALL
communities.**

**India must pledge a
sizable amount to The
Global Fund and be a
partner in decision
making! **#FundTheFight**
#InvestInCommunities**

**India must reduce Out
of Pocket Health
Expenditure and strive
for Universal Health
Coverage.**

**Community Systems
are the only way to
reach all the
Communities.**

#InvestinCommunities

**With Community Support
= We #EndEpidemics**
**Without Community
Support = We #StepBack**

#WalkTheTalk on
Health Investment
